

AFTER SCHOOL ROCK CLIMBING

ON CAMPUS

CLIMB. LEARN. GROW

Rockstars gives Ka'ohao students in grades K-6 the opportunity to learn and improve their rock climbing skills in a FUN, SAFE environment.

With 30 years of experience, Rockstars helps children build:

- Self-confidence
- Problem-solving and planning skills
- Strength and endurance
- Perseverance and resilience

Students climb on our 24-foot mobile climbing wall, protected by steel cables and auto-belay systems. They also learn basic climbing knots to develop cognitive skills, coordination and focus.

Children are encouraged to climb as high as they dare, overcome challenges and discover what they are capable of.
